Words are less to express about library. I learnt many things from library week which was held for 7 days. As I was appointed as volunteer for library week, all 7 days I was in touch of books. The vast and massive collection of books filled with lots of knowledge.

Information, Ideas, Motivational Lessons etc. inspired and encouraged me to read and I understood that for being ahead and successful in life.

"READING IS ESSENTIAL IN EVERYONE'S LIFE"

All the activities held in library week like calligraphy competition, poster competition extempore competition and book review competition were very enjoying and also gave the lesson to increase the "self confidence" it was a very good experience of being an volunteer of readers club. I think library is that corner of college where everyone feel bored to step in, but when they step in and start grasping the knowledge from books they will leave out being a good personality.

जीवनाची ओळख करून देणारा मित्र म्हणजे पुस्तक. जीवनात येणाऱ्या अडचणींवर मात कशी करावी याचं मार्गदर्शन करणारा गुरु म्हणजे पुस्तक. जगाबद्दल माहिती देणारं, जीवनात कसं वागावं आणि आपल्या ध्येयापर्यंत कसं पोहचावं हे शिकवणारा शिक्षक म्हणजे पुस्तक.

म्हणजेच पुस्तक हा माणसाचा खरा सोबती आहे, जो माणसाला कसं जगायचं हे शिकवतो, शिवाय ज्ञान ही भरभरून देतो आणि आपले ध्येय गाठण्यास मदत करतो.

माझ्यासाठी ग्रंथालयाला खुप महत्व आहे. आमच्या विद्यालयाच्या ग्रंथालयात अशीच पुस्तके उपलब्ध आहेत. माझ्या मते, आपण जगात कुठेही गेलो तरी सगळीकडे समृद्ध ग्रंथालय असणे आवश्यक आहे. ग्रंथालयात मी माझे मन शांत करू शकते.

FEEDBACK

I Mr. Hemal Patel who was the volunteer in library week .The library week which was held from 30th Nov. to 5th Dec, was very interesting. These days created very knowledgeable memories in my mind.

My IQ test increased being in between the books. Books became my good friends in this library week.

I enjoyed this week & I suggest to my youngers that they should also take part in this week.
